

Please do not let the no call list go away. It is nice to have a dinner with your family and not be bothered. It is nice to not have calls for windows and siding and magazine offers, etc...WHEN YOU DO NOT NEED OR WANT THEM. I can understand that everyone has to make a living. But also understand, after my long day at work, I just want to spend time with my family, not be on the phone all night saying NO or just hanging up on them.
